The organization is led by the female. There are 6 females and 3 male as executive committee of the organization. The executive committee is elected in 2022 for the 5 years' time and in July 2026 there will be an election for the new executive committee of the Organization.

NNSWA has a dedicated team of 222 staff members working across various departments, including program management, finance, administration, and field operations. Our team comprises skilled professionals with significant experience in ensuring the social rights of discriminated communities (Dalits), persons with disabilities, and deprived (3D) individuals.

The organization also has a roster of professionals with qualifications such as MPH, Master in Health Sciences, BPH, B.Sc. in Nursing, and BSc.AG, who were working with USAID funded SUA AHARA Project in NNSWA. Currently NNSWA is working in all districts of Sudur Paschim Province and three district of the Karnali Province of Nepal. There is not any dual role between Board and Employees.
